

Other ways to help...

Besides sponsoring a child in Malawi, there are also other ways you can help "Children of Malawi" make a change in Africa.

You can...

...make a one time donation.

Any donation helps, no matter how small. Finances are desperately needed in Malawi. We need money to feed the hungry children who have no sponsors. We also need finances to build an orphanage and a school to give the children a home and a prosperous future.

Please make checks payable to: "Light of Life Ministries, Inc." - *Thank you!*

...bring us your empty bottles.

if you live in central Maine you can help our ministries by donating your empty bottles. All the refunds go straight to our project in Malawi to help the children and their families.

...become a volunteer / missionary.

Join us on our mission trips to Malawi and
a) help us feed the poor and give hope to the hopeless and
b) use your professional skills to bless them and to teach them. We need help to build the orphanage and school and we also need medical staff to help those who are ill.

If you are interested in joining our Malawi mission team, please contact us at (207) 622-9467.

...pray for "Children of Malawi".

Help and support us through the power of prayer. We greatly appreciate every prayer and in our hearts we know that God will provide us with everything we need to help the children in Malawi.

Q: Where should I send my donation?

A: Please send all your donations to:
Light of Life Ministries, Inc.
160 Riverside Drive
Augusta, ME 04330
Make checks payable to "Light of Life Ministries, Inc."

Q: What time of the month should I send my monthly donation?

A: Your monthly payments are due at the first of every month. You will receive a monthly payment reminder as well as a sponsorship record.

Q: Will I be the only person sponsoring the child I'm helping?

A: Most likely each child will have 1 – 3 sponsors. If your monthly donation covers all needs (food: \$32.00, school: \$50.00, medical expenses & school necessities: \$ 20.00) then you will be the only sponsor of the child.

Q: What are the benefits the child I sponsor will receive?

A: Sponsoring a child makes sure that the child gets enough food every day (\$32 per month), he/she can go to school (\$50 per month) and pay for his/her school necessities as well as medical expenses (\$20 per month).

Q: How does "Children of Malawi" ensure that my support actually benefits the child I sponsor?

A: We directly send all finances and letters to the administrator of the Ministry in Blantyre, Malawi who distributes the funds and letters directly to each sponsored child/family. We personally oversee the projects, guaranteeing that your funds are properly administrated.

Q: When does my sponsorship start?

A: Your sponsorship begins when we receive your first monthly payment.

Q: How long should my sponsorship last?

A: "Children of Malawi" offers you the opportunity to sponsor children for several years, until they graduate from Secondary School. You will also have the opportunity to continue sponsoring your child after he/she finished Secondary School and goes to college. However, you may discontinue your sponsorship at any time after you notify us of your intentions.

Q: What happens to my child if I have to discontinue the sponsorship?

A: If you must discontinue your sponsorship, please let us know as far in advance as possible so we have a chance to find a new sponsor for your child. However, we encourage our sponsors to help us find a new sponsor for the child to make sure that the child's needs are met at all times.

Q: Will I be able to communicate with the child I sponsor?

A: Yes! We encourage our sponsors to write letters to their children in Malawi. You will find more information about communicating with your sponsored child in the correspondence starter kit which you will receive with your welcome package.
